

2CHR PRESENTER PROFILE

Bronwen Stewart

Hi. I'm Bronwen Stewart. I have two programmes on 2CHR:

- Monday 12 - 2pm, which is "Songs of Yesteryear" - mostly an easy listening type programme.
- Thursday 4 - 6pm. Now that can vary, being "Drive Time". I tend to mix it up a bit - a little something for everyone type show.

I am interested in most music... but don't like the heavy types be it rock or classical. The light classics and mild rock are great.

I am in my mid years, wellll... maybe a little bit higher up, they call me a senior citizen, the cheek of them. I grew up in Cessnock, then moved to Sydney to work, were I met my husband. After 43 years we have returned to Cessnock to live and are loving it.

I am involved in a new Lions Club in Cessnock and I am a member of the Rural Fire Brigade.

I am a Lawn Bowler. My other Hobbies include: Painting, Bonsai, Gardening and particularly - Orchids. I also love growing plants from seeds, it gives me great satisfaction to see things come to life.

My favourite saying is - you guessed it, "Take care of yourself, take care of each other and be gentle on yourself". Life is too short to waste it blaming yourself for things you can't change.

Thanks for supporting our community radio station, 2CHR.
