

2CHR PRESENTER PROFILE

Maree Osborne

Show:

I play rock, pop, easy listening... all the good stuff from the 80s, 90s, and latest hits - with some 70s in there as well (not much of that because I am not that old)

Likes:

- Photos for me are a big hate but I do enjoy music and radio. I love radio, music and everything about it.
- I'm waiting with great desire for The Uncanny X-Men to make a comeback - I mean, lets face it, if the Radiators can spend the past 5 years touring and calling it a reunion tour then why not The Uncanny X-Men??..
- The best concert I have ever been to was Snow Patrol.

Future Goals:

- To see Faker live again, but this time to stay and listen to the whole concert without any interruptions
- To be the best radio presenter that 2CHR has ever had - even better than Joe Brown

(😏 Trust me people I do sound sexier than I actually look.. and lets face it in radio that's what matters)
